

WARRANTY

WE WILL REPAIR WITHOUT CHARGE PARTS FOR CUSTOM SHADE MANUFACTURED BY US WHICH IS DEFECTIVE IN MATERIALS OR WORKMANSHIPS.

This limited warranty does not cover any product which fails due to accident, alterations, misuse, abuse, extraordinary use, misapplication, improper handling, improper installation, operation or cleaning. Normal wear and tear is not covered.

All moving parts, such as cords, will eventually wear out and fabric may fray. G&V considers these things as normal wear and tear and are not covered under the warranty.

These Warranties do not cover transport, removal, or reinstallation charges which may occur as a result of defects in materials or workmanships.

This warranty is exclusive and in lieu of all other obligations, liabilities or warranties. In no event shall the manufacturer of woven and grass shades or its licensed fabricators or distributors be liable for incidental or consequential damages, or for any other damages, loss or expense, cost of fee associated with such damage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply.

CARE & CLEANING

G&V Woven Shades are durable as they are beautiful with minimal care, they will remain like new. The Non-Woven fabrics are inherently anti-static and repel dust, occasional feather dusting or vacuuming may be necessary to keep the fabrics clean and bright. Spills and stains can be lightly blotted with a cloth or damp sponge.

CHILD SAFETY

To reduce the risk of accidents and for the safety of children and pets, it is important to keep all cords out of reach. The use of cord cleats is strongly recommended.
